

Teacher Training

Due to the COVID-19 pandemic, the teacher training at the KU Leuven (Belgium – Bruges) has been organized using MS Teams. During two days (September 9th and September 10th, 2021) academic staff of

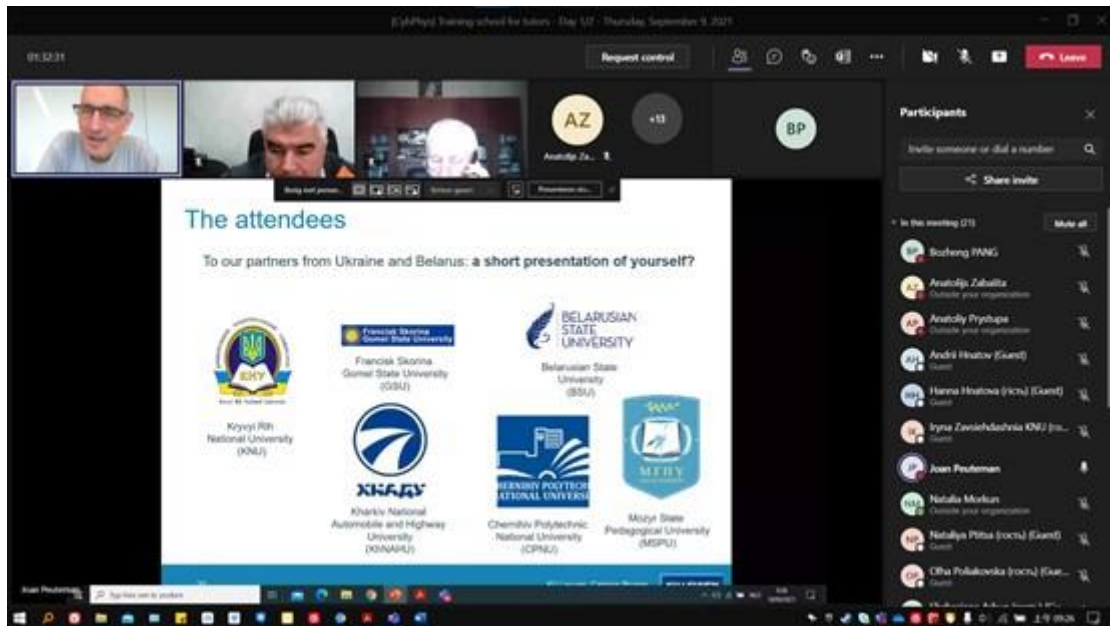

- Kryvyi Rih National University,
- Kharkiv National Automobile and Highway University,
- Chernihiv Polytechnic National University,

participated in the teacher training.

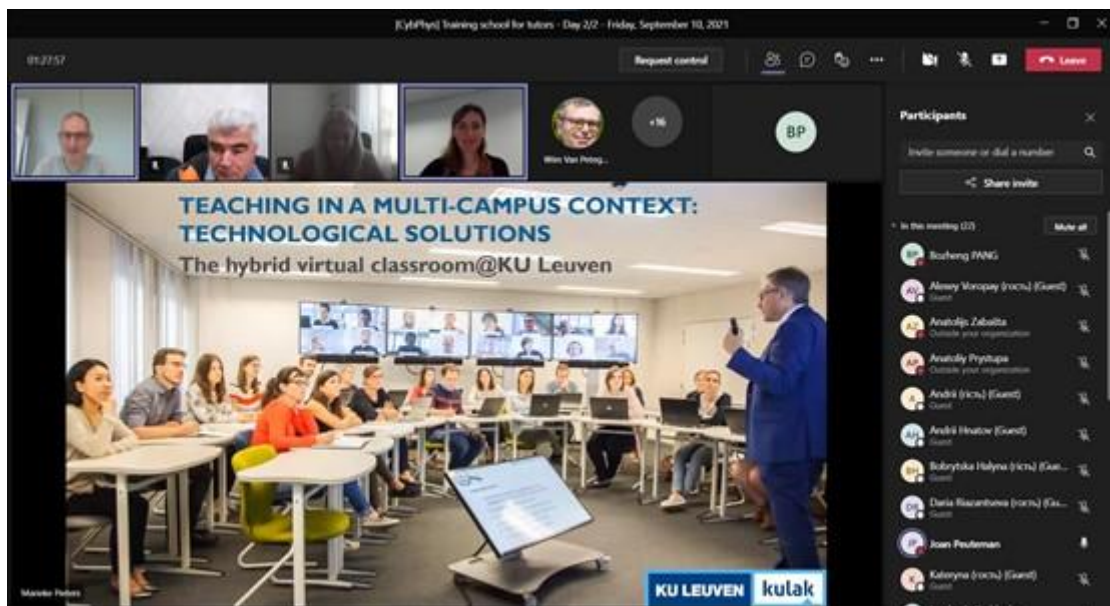

A diversity of topics has been presented:

- Introduction: opening of the training school
- Innovative teaching using a digital learning environment
- Integrating students in the didactical process: what and how?
- Preparing students for the labour market
- Academic literature
- Innovative teaching in a multi-campus context
- Teaching in a multi-campus context: technological solutions
- Distance learning: innovative interuniversity collaboration
- Technical innovations: Electromagnetic Compatibility
- Technical innovations: development of an electric car.

At the end of the second day, participants shared their ideas in breakout groups concerning

- Integrating students in the didactical process: what and how?
- Preparing students for the labour market
- Distance learning: internuniversity collaboration.

Due to different agendas and the diversity of the topics, the numbers of participants was not constant. But very often more than 20 attendees participated.
