## Minutes of the MC and WS meeting held on Tuesday, March 29<sup>th</sup> of 2022

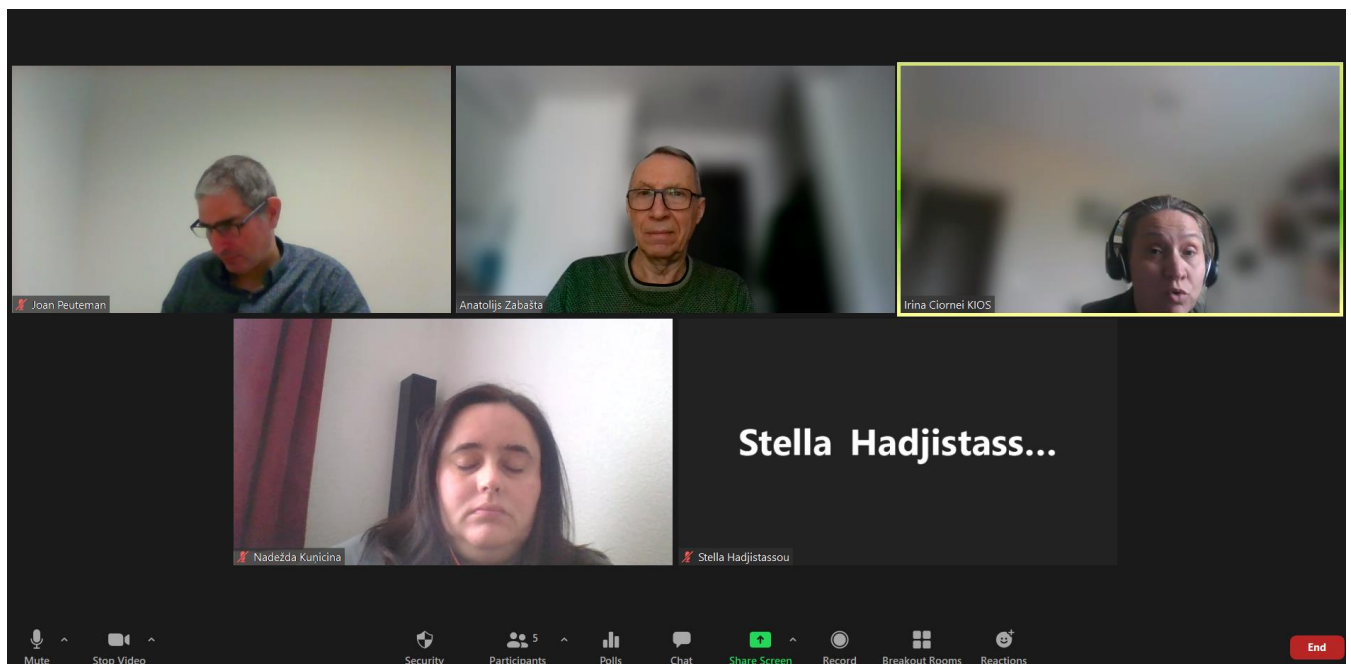

Meeting was held in Zoom  
15.00 Riga time (14.00 Belgium time)

### Agenda:

1. How we plan to ensure continuation of the project.
2. Consideration of risks, benefits, prerequisites and scenarios for further implementation of the CybPhys.

### Discussions and decisions

- Ukrainian partners are going to start on-line courses for their students. It will be very useful for achievement of CybPhys targets.
- Question: is it possible to accredit education courses and programs in case, if labs equipment is lost?
- Different scenarios for prolongation of the CybPhys – the participants discussed the issue, but have not achieved a commitment.
- To arrange a meeting on May 11-12<sup>th</sup>, as it was planned, however in hybrid form.
- To create a cloud at RTU servers at least for project documentation: RTU will develop a structure (folders), the partners will put documents, which are in their disposal.
- Student training in UCY – how we could arrange it?
- QA – external expert will make presentation of a method, how the evaluation and consultancy will be arranged at the meeting in May.
